

HEPHZIBAH MINISTRIES

SERVING SINCE 1900

Hephzibah Children's Home, located in Macon, Georgia, was started in 1900 by Miss Bettie Tyler. After much prayer, the Lord gave her the name Hephzibah from Isaiah 62:4. The Hebrew word, Hephzibah, is interpreted "my delight is in caring for children." We continue Bettie's mission to offer a haven for kids who have been mistreated or neglected by their families, and we nurture them in a loving environment. We want to turn hurt into hope for a better tomorrow.

OUR SERVICES

Child Caring Institution. This residential program cares for children up to age 18. Hephzibah is licensed by the State of Georgia.

The Teen Parent Homes are special residential care homes for mothers (up to the age of 21) and their babies. In addition we offer care for pregnant girls who find themselves in an unplanned or unwanted pregnancy.

Maximum Level Care. Hephzibah now offers specialized care to the most severely abused of society's children and youth.

Hope Haven. Hope Haven exists to confront the issue of domestic minor sex trafficking and commercial sexual exploitation.

The mission statement for Hephzibah Children's Home: "HCH exists to serve children and families in crisis with Christ-like compassion by enabling them to achieve stability, health, and independence."

Hephzibah Ministries is a subsidiary of The Wesleyan Church and is a 501(c)(3) charitable organization. All gifts are tax deductible.

We enthusiastically invite you to join with us for the upcoming 2018 Great Smoky Mountains Gathering, April 16-20! We will be convening upon the beautiful, scenic Blue Ridge Mountains in Pigeon Forge, Tennessee. It is a time of inspiration, relaxation, refreshment, and spiritual renewal along with the tremendous fellowship of making new friends while enjoying the re-acquaintance of the old ones, too. You will love it!

Springtime in the Smokies is a wonderful time. The rebirth of the earth coming back to life after the dead of winter, is miraculous. Your heart will exclaim in praise... "This Is My Father's World!" Pigeon Forge, and the surrounding area, speaks of the glory of God with its incredible display of budding flowers, trees, bushes, and wooded lands that are stunning. Be sure that you drive through Cades Cove and enjoy a picnic lunch by the stream conveniently along the trail. You might even see turkeys, deer and maybe a bear! The majestic mountain panoramic views are uplifting and very humbling to behold.

There are golfing packages and local fishing options available to the avid sportsmen. In addition, there is a plethora of shopping retail 'therapy' possibilities or you can just relax on the hotel porch and 'rock' your cares away. The puzzles and game options are always in high gear in the lobby at The Music Road Inn. During your free time in the afternoon, you can participate in any of the available tourist attractions in the area. Did I mention eating at Paula Deen's Family Kitchen??? OH MY! You really need to try it!!! :) Your tummy will thank you!!! There is something for everyone to do at The Gathering!

Did you know that this is a perfect gift idea for you to give to your family as an idea for your Christmas present? You could also present this to your Sunday School class and bring a church van/bus as a Senior Activity trip. Maybe you might 'surprise' your minister and his wife with an all-expenses paid trip as a special vacation/spiritual renewal gift for Pastor's Appreciation. Just mark your calendar and plan to come!
